#### Housing

Indicate the number of each property type, if known:-

	1 bed	2 bed	3 bed	4 bed	5 bed	5+ bed
Detached	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Semi detached	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Terraced/town	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Apartment/flat	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

**For flats/apartments and/or mixed developments you will need to inform us if you require individual meters for each unit or a single bulk metered supply for the development. (Note that it is current Dee Valley Water policy for all revenue meters to be located externally to buildings and we will not accept revenue meters after boosting). Also, if a single bulk metered supply for any development is chosen then you will be expected to sign a Joint Billing Agreement, prior to the connection being made, which can be transferred to the Developer/Management Company on completion of the development**

#### Non-Housing

	nr units	floor area square metres	avg demand litres per second	peak demand litres per second
Retail/shopping	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Office/commercial	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Hotel	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Industry	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Other-specify	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

## 5 Other supply requirements

Will there be any of the following:-

	tick if yes	Details and peak flow requirements
Fire fighting	<input type="checkbox"/>	<input type="text"/>
Irrigation	<input type="checkbox"/>	<input type="text"/>
Ornamental ponds	<input type="checkbox"/>	<input type="text"/>
On-site storage	<input type="checkbox"/>	<input type="text"/>
Vehicle washing	<input type="checkbox"/>	<input type="text"/>
Recycling	<input type="checkbox"/>	<input type="text"/>
Other-specify	<input type="checkbox"/>	<input type="text"/>
None required	<input type="checkbox"/>	<input type="text"/>

## 6 Altitude

What is the highest ground floor level in the development  m AOD

What is the highest floor level in the development  m above GFL

## 7 Excavation/backfill

Will you be undertaking excavation and backfill on site ?      yes       no

Will you be undertaking excavation and backfill in public highway ?      yes       no

## 8 Anticipated programme

Anticipated start date

Anticipated completion date

Phasing - specify

## 9 Any other information

Please provide any other information that you feel may assist Dee Valley Water in providing you with a quotation.

## 10 Applicant Checklist

- a. Completed all sections of form ?
- b. Enclosed site/layout plan ?
- c. Provided all relevant information ?

### General notes

At the feasibility stage of development we will provide the following:-

- 1 Location plan of our water mains in the vicinity
- 2 An assessment of our mains/apparatus affected by your proposals
- 3 Details of easements and/or any other rights affecting the land
- 4 An assessment (incl budget estimate of costs) of any mainlaying or other work we would need to carry out to supply the site
- 5 Details of any further studies (incl costs) we would need to carry out if there are particular problems

At the design stage of development we will provide the following:-

- 6 Detailed design plans of our proposals to meet your requirements
- 7 Written estimate of costs involved
- 8 Our requirements of easements and/or any other land matters
- 9 Details of any further studies (incl costs) we would need to carry out if there are particular problems

**Charges will apply for work undertaken and the information provided. These charges are detailed in the Company's Scheme of Charges.**

**The information requested on this form is required for us to provide you with an accurate quotation. Missing or misleading information could lead to additional costs and delays at a later date.**

**Before completing the application form you should read the Conditions for Requisitioned Mains**
